

Features for better business banking

We've listened to your feedback, and we're excited to introduce a better digital banking experience next month!

Plan ahead to avoid service interruptions

ATMs and telebanking will still be available 24/7 and Byline branches will be open during regular business hours.

May 15 at 5 p.m.

Bill pay will be unavailable for use until May 19 at 8 a.m.

May 16

Make sure your contact information is up-to-date before 5 p.m. And, make sure you know your login credentials as you will need to use them to login to the new platform on May 19.

Online and mobile banking will not be available as of 6 p.m.

Recurring scheduled internal transfers that have an effective date of May 16 will process. Any scheduled internal transfer that falls on May 17 and 18 will not process but all future scheduled internal transfers with effective dates of May 19 and after will process and will not need to be re-established.

Quicken/Quickbook/Intuit users: complete a data file backup and a final transaction download by this date as transaction history might not be available after the upgrade.

May 17 - May 18

Online and mobile banking will not be available during conversion weekend.

Zelle® payments can be received but not sent.

May 19 at 8 a.m.

Online and mobile banking will be available once again.

Instructions for how to log in and get started will be emailed.

Quicken/Quickbook/Intuit users: complete the deactivation/reactivation of your online banking connection to ensure that you get your current accounts set up with the new connection.

More details are online
